REPORT ON STUDENTS SATISFACTION SURVEY (SSS)

ACADEMIC YEAR 2016-17

The Students Satisfaction Survey (SSS) was conducted during April/May 2017 through the 2017 graduating batch of students. From the overall response it is clear that all the students are generally pleased and very satisfied with different aspects and facilities of the institute. Students have reported high satisfaction for academic support systems which indicates that institute priorities are aligned with the needs of students. The overall student's satisfaction survey index is 97.05% which proves that the students do not have any complaints or grievance against the facilities of the institute.

The consolidated results of students satisfaction survey (SSS) 2016-17 are enclosed
